

BUILDING A STRONGER COMMUNITY

West Licking County Family YMCA
Capital Expansion – Phase 2
BUCKEYE VALLEY FAMILY YMCA

Your Partners in Community

- The Buckeye Valley Family (BVF) YMCA is a nonprofit organization that strengthens communities through a wide range of services, including fitness programs, childcare, youth sports, summer camps, and wellness initiatives. We offer educational programs, food assistance, and community outreach efforts to support health, build skills, and promote social responsibility for people of all ages.
- The BVF YMCA is one of the largest, oldest, and most experienced providers of youth development and healthy living services in Licking and Muskingum Counties:
 - 500+ team members
 - 3 Membership Locations, 13 Licensed Childcare Sites, and more than 30 program partner sites

We are our region's premier partner in providing early education and preventative wellness services, making our community stronger with experience and understanding.

The Y's Start in West Licking

The Y's first steps in the community came in the early 2000's programs at Jersey Elementary School and other community sites. After-school care, day camp, and wellness classes gave local families new ways to connect and thrive. It was a hopeful beginning — a promise that the Y would grow alongside the community.

West Licking Y Pre-Renovations

In 2006, the West Licking County Family YMCA found a more permanent home at the former 17 acre campus owned by Holophane Lighting.

West Licking Y Post-Renovations

Renovations completed in 2019 modernized our facility, resulting in membership growth from serving 800 households to 2,600!

Trusted Community Partner

Y on the Fly

What's Next for West Licking?

To continue serving the growing demand for youth recreational programs, the Y is building an 8,200 square foot gymnasium. Additionally, to better serve adult's physical and social needs, we plan to extend our health and wellness center by 40% (approx. 3,000 square feet).

Our Full Campus Vision

The Impact of Our Expansion

Engage 1,500+ youth in recreational sports programs

Serve more than 1,000 additional families

Serve more than 1,000 additional families
